10 & Under Tennis

10 and Under Tennis using the Quick-Start Tennis play format, is designed to enable kids to learn, rally, play and compete right from the start. Tailoring equipment and courts to a child's size makes the game more accessible and fun. QuickStart is an excellent way to get our young campers excited and ready to play tennis. For our experienced 10 & under players our certified pros will utilize the smaller court and softer balls to better develop tactical and technical skills. Friday will be organized match play with PRIZES.
